REMARKS

The claims have been amended to pursue subject matter which the Examiner refused to enter in the parent Application No. 08/477,668. See, the Advisory Action of March 23, 2001.

The specification has been amended to include amendments made in the parent application.

The attached paper copy of the Sequence Listing is the same as the computer-readable copy of the Sequence Listing filed in the parent Application No. 08/477,668. The Office is requested to use the computer-readable copy of the Sequence Listing from the parent Application No. 08/477,668. No new matter has been added. A separate Letter to this affect is attached.

Consideration of the attached Information Disclosure Statement and return of an initialed copy of the PTO-1449 Form listing the references cited in the parent Application No. 08/477,668, are requested.

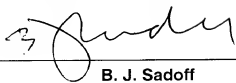

An early and favorable Action on the merits is requested.
